

BACHELOR OF SCIENCE IN BUSINESS MAJOR IN FINANCE

TOP 5% OF BUSINESS PROGRAMS WORLDWIDE

With a major in Finance you will have the skills to understand and analyze markets, evaluate complex financials for firms, and manage clients' exposure to risk. Our graduates are successful in financial institutions in Idaho as well as across the country.

In addition to your finance coursework, you will graduate from U of I with a strong business foundation, grow your communication skills, and have hands-on experiences that prepare you for your first career after graduation!

- Manage stocks, bonds, and other equities in CBE's portfolio by getting involved with the Davis Investment Group
- Use real trading platforms and live markets to make short-term trades, trading commodities, and managing risk with the Barker Capital Management and Trading Program.
- Thanks to a partnership with D.A. Davidson, work with a team to invest \$50,000 each year in a nationwide collegiate competition!
- Network with finance industry professionals

WHAT CAN YOU DO WITH A MAJOR IN FINANCE?
Certified Financial Planner
Financial Manager
Appraiser or Assessor
Financial or Market Analyst
