

Livestock Import Rules Apply to 4-H and FFA Animals

As you begin selecting animals for your 4-H & FFA projects for the upcoming fair season, please keep in mind that all import rules for livestock apply to animals brought into Idaho that will be used as 4-H and FFA market and breeding animals. Below is a quick reference (as of 2/6/2019) for each species. For a complete listing of import requirements, please go to the ISDA website at:

<https://agri.idaho.gov/main/animals/>

➤ Cattle:

- > Castrated male cattle (steers) must have a Certificate of Veterinary Inspection (CVI) from a licensed veterinarian with a full physical address of the origin and destination.
- > Intact female beef cattle must have a CVI with the full physical address of the origin and destination. Female cattle 4 months and older require vaccination for Brucellosis with their legible tattoo recorded on the CVI. Female cattle 18 months and older require individual, official identification listed on the CVI. Female calves accompanying their dam may enter without vaccination.
- > All intact dairy cattle must have a CVI with the full physical address of the origin and destination and an entry permit. Female cattle 4 months and older require vaccination for Brucellosis with their legible tattoo recorded on the CVI. All dairy females 6 months of age and older are required to have a negative Tuberculosis test within 60 days before entering Idaho. Individual, official identification must also be listed on the CVI.
- > Brand Inspections required on all cattle (even if unbranded.) For information on Brand Inspections please call the Idaho State Brand Department Lewiston District Office at 208-799-5019.

➤ Horses:

- > CVI with full physical address of the origin and destination. Six month equine passports are accepted from states participating in Global Vetlink's EECVI program. Negative EIA (Coggins) test required within 12 months prior to entering Idaho.
- > Brand Inspections required on all horses (even if unbranded.) For information on Brand Inspections please call the Idaho State Brand Department Lewiston District Office at 208-799-5019.

➤ Sheep and Goats:

- > Castrated male sheep and goats (wethers) CVI with full physical address of the origin and destination and an entry permit from the Idaho Sheep and Goat Health Board (contact: Brandy Kay at 208-803-5084).
- > Intact female sheep and goats must have a CVI with full physical address of the origin and destination and an entry permit from the Idaho Sheep and Goat Health Board (contact: Brandy Kay at 208-803-5084). Scrapies tag, tattoo (if recorded on Breed Registry papers), or other official, individual identification recorded on CVI.
- > Intact male sheep and goats must have a CVI with full physical address of the origin and destination and an entry permit from the Idaho Sheep and Goat Health Board (contact: Brandy Kay at 208-803-5084). Scrapies tag, tattoo (if recorded on Breed Registry papers), or other official, individual identification recorded on CVI.
- > All dairy type goats over 6 months of age need a negative Brucellosis test within 30 days before entering Idaho.
- > All intact male sheep over 6 months of age must have a negative Brucella ovis test within 30 days before entering Idaho.
- > All sheep and goat CVI's must also state that listed animals are free from Scrapie (known to have not been exposed for at least 72 months prior to date of inspection), Scabies (known to not have been exposed for at least 6 months immediately prior to date of inspection), Foot Rot, Brucella and do not have any symptoms of any communicable diseases (known to have not been exposed to any communicable disease for at least 30 days immediately prior to date of inspection.)

➤ Hogs:

- > All swine entering Idaho require a CVI with the full physical address of the origin and destination and an entry permit. Individual, official identification must be listed on the CVI. The following statements must also be on the CVI; Raw Garbage Statement, PRV Statement and a PEDv Statement.
- > All breeding swine not originating from a Brucellosis free herd or a Brucellosis free state must have a negative Brucellosis test within 30 days of movement into Idaho.
