

Service-Learning Project Presentation Guidelines

Please take time to put thought and effort into this presentation. This needs to be a visual presentation so use PowerPoint or something similar. You will have 10 minutes for your presentation with questions to follow. Please include the following in your presentation:

- What was your project?
- Why did you choose this project?
- What is the problem you addressed?
- What did you do?
 - How did you organize it?
 - What did you do at your event?
 - What was the educational component?
- What were your successes?
- What were your struggles with this project?
- What do you feel you learned?

If you need assistance with putting this presentation together please contact your mentor or Grace.
