

29 January 2025

Fee Schedule for Rinker Rock Creek Ranch

Please note: RRCR is a large and remote ranch, accessible seasonally from May-November. Currently, there are only a few locations on the ranch with power, potable water, trash service, and cell service. Event fees go toward helping maintain these services. Portable or vault toilets are available at several locations. There are no paved roads or indoor gathering areas. Visitors should be prepared to be outdoors in a rustic setting for the duration of their time at RRCR.

Event fee (per day) Events are defined as group gatherings on the ranch where participants will use toilets or trash. *Event fee includes the use of the site(s) at RRCR, basic logistical support from ranch staff, trash disposal, and toilets (please call operations manager to discuss event location(s) and duration so toilets can be properly ordered and located). Event organizers may incur additional costs on their own. Not included in the event fee are any tables, chairs, tents, power generators, etc. These are the responsibility of the event organizer.*

0-50 people = \$200

51-100 people = \$300

101-200 people = \$400

Above 200 people = call for rates and contract

Barn space (open classroom-style space with power, available upon construction completion – estimated late September 2025)

UI or non-profit group = rates start at \$250/day

Non-UI or for-profit group = rates start at \$400/day

Rates are tiered based on group size and need, and these rates may be negotiable, please reach out to cpacker@uidaho.edu for more information.

Equipment use (limited equipment available – call for availability and reservations)

Cow Camp space = \$35/week (wall tent space is limited, first come first serve, otherwise BYO tent) first 4 nights are free, after that you'll be charged for a week.

Contact for longer term rates

South Camp RV space = \$60/week (includes water, power, toilets - no sewage or grey water disposal is available). *Contact for longer term rates*

One UTV is available through CNR Motorpool - visit (<https://www.uidaho.edu/cnr/forms-resources/mp>) for rates and to reserve a vehicle. Additional UTV and 2 basic trucks are available through RRCR, contact cpacker@uidaho.edu for rates and availability. **Vehicle fuel is the responsibility of the vehicle user.**

Cattle management fee

Cattle management fees may be implemented if a certain threshold of additional time or effort is required.

Fees will be implemented starting January 1, 2025. Fees are subject to change from year to year. Call RRCR Operations Manager with questions 208-721-4134.
