Please describe the nature of the financial emergency. You may do this below, or on a separate sheet or in an email. Include as much detail as possible, including the amount(s) of the expense(s) that you face.

Awards are limited to no more than \$500 per individual, and not all requests can be approved. Those that are approved may be for an amount less than the request. Note that requests should be for help with a short-term emergency need. We can not generally address longer-term situations such as simply not having enough resources to cover month-to-month expenses.

While more than one application during the same year is allowed and may sometimes be funded, priority may be given to applications from students who have not received assistance recently.

By submitting this form you affirm that the information provided is accurate to the best of your knowledge.
