

Panhellenic Chapters Financial Transparency

2024

The following amounts were presented to the Panhellenic Council from chapter financial chairs. The total amounts listed are under the assumption that New Members will be initiated in the Fall of 2024. The semester of being a New Member is the most expensive due to one-time payments and New Member dues, however once initiated dues decrease. The University of Idaho requires all first-year students to live on campus, therefore the amounts presented are the amounts for a student living in the chapter facility for the 2024-2025 school year.

All Greek Life students must pay a \$50 Greek Life Programming Fee each semester. This fee is billed through Student Accounts for the University and is applied during fall and spring semester. Please keep in mind that the Greek Life Programming Fee is not include in chapters' cost breakdown.

We hope this document is a resource to help Potential New Members and their parents/guardians be more aware of the financial commitments prior to joining our Greek Community.

Please note that sorority finances are separate from the University. If you have a question about a specific chapter's information in this document, we encourage you to reach out to the chapter directly or ask during Primary Recruitment. Students participating in Primary Recruitment will have opportunities to ask questions to each chapter. If you have general questions or would like assistance contacting a chapter, please reach out to the Office of Fraternity and Sorority Life. To learn more about how financial aid might apply to your sorority experience, please reach out to Student Financial Aid Services.
